

Parent Survey

Post-High School Transition in **Down Syndrome**

Purpose:

To determine the experiences of individuals with Down syndrome and their families regarding the transition out of high school. The information parents or caregivers provide will help us identify the supports and resources families need.

Participation involves:

Complete an anonymous online survey that should take about 20 minutes.

Who can participate:

Parent or primary caregiver of a young adult with Down syndrome who has stopped attending high school within the past 5 years and currently lives in the United States.

Compensation:

Participants will receive a \$20 Amazon gift card in appreciation of time and effort.

How to participate:

Take the survey at http://uofmississippi.qualtrics.com/jfe/form/SV_5pUETVQSfbHf7EN
