What’s Happening in 2020

- In March 2020, we all began dealing with the worldwide COVID-19 pandemic. USOD staff began offering virtual programming focused on education enrichment, life skills, social activities for connectivity, and family support. This programming will continue as long as we are unable to gather together in-person.
- Expanded education programming, allowing us to serve toddlers through high school age.
- More programs in outlying counties.
- Webinars that will be available to everyone in our 16-county service area covering topics critical to our families.
- New classes and social opportunities for adults with Down syndrome.
- And more!
Together we can make it happen!

Virtual Fundraising Ideas

We will all need to be creative with social distancing in place for 2020. Here are some ideas you can consider to fundraise for your Buddy Walk team:

- **Encourage your family, friends, neighbors and co-workers to register for the walk.** Since this is a virtual walk, your out-of-town contacts can take part too. Every registration for your team goes toward your team total. Every walker has the option to add an additional donation when they register.

- **Check with the HR department where you work and encourage your team members to do the same because many companies offer matching gifts.** Your contributions can be matched by your company.

- **Host a birthday fundraiser on Facebook!** Be sure to let us know about it and provide your team name so that we can apply the funds to your fundraising total.

- **Consider having a virtual consultant party or game night** to raise funds for your team. USOD will promote your Buddy Walk fundraising event on our social media pages. Contact Rosa@usod.org to share your event.

- **Bring in a Buddy Walk sponsor** - sponsors are essential to our event and they receive many benefits. Sponsorships that you bring to the Buddy Walk count toward your team’s fundraising totals. For more information on NEO Buddy Walk sponsorships, visit theupsideofdowns.org/buddy-walk/sponsor or contact Leslie Burke at leslieb@usod.org
Social Media Tips

Connecting with your friends & family is a great way to encourage donations for your team. Consider using Facebook, Twitter, Instagram, and any other platform that will help you spread the word, recognize your team members & donors and share your story.

- “Like” & follow USOD on social media sites. We are on Facebook, Twitter, Instagram, LinkedIn, & YouTube.
- Repost & retweet USOD page posts & tweets to generate excitement
- Create a Facebook Group for your team, where you can post important registration & donation information, thank team members and donors, and provide updates on the virtual walk.
- When posting on social media:
  - Tell your story - why are you walking?
  - Provide a link directly to your team registration page
  - Tag USOD in all your posts
  - Include this year’s hashtag in your posts - #BW20VirtuallyUnited
  - State your purpose & request clearly
  - Post regular updates about the goals you are setting & reaching for your team
  - Post pictures of your buddy, previous walks... People love photos!
  - Ask for a specific amount on a specific day: “Help us reach $1,500 by the end of the day. Only $250 to go.”
  - We know that this is a difficult time for many people. Recognize that in your posts and ask supporters to give if they can. Share that spreading the word about the Buddy Walk is a great way to support the cause.
